Mail this coupon to Good Fellows, care Ogden Standard-Examiner.

Pitiable plight of one Ogden family that faces a Christmas of little cheer was revealed by a child's letter received this morning by the Ogden Good Fellows. Like every other case reported to the Good Fellows at Christmas time, this family's condition will be investigated and the needs of the little folks and their parents will be given attention. The letter follows:

### HERE'S A LETTER

"Dear Mr. Good Fellow: I thought I would write and tell you about myself and my little sister and my little brother. We have all been off sick for 3 months. My papa dear is still in bed. I am a boy ten years old and my name is..... Mama is getting lots better and I do hope Santa Claus won't forget us. Some little boys don't believe in Santa Claus but you tell I do. So I sure would think it of full price of you if you would see that Santa Claus got this letter. I got four sisters and one brother that makes 6 of us. I would like a play if it not to much. My sister 12 years old would like a Copic. Sister 7 years old would like a doll. Sister 5 years old would like a doll. My little brother 3 years old would like a little wagon and baby.

a pair of stockings. Baby is one year old. Your little friend,

### OTHER APPEALS

There are many similar appeals coming to Santa Claus and the Good Fellows. Each one of the calls must be answered on Christmas day or Christmas eve. To make that response the Good Fellows of Ogden must respond liberally in the next few days, for it takes time to make the necessary purchases for the little folks. While the fund is being collected, the Good Fellows who have already volunteered their services, time and money will make the necessary investigations to ascertain the exact condition in each case. The Ogden Boy Scouts will assist in this investigation. On Christmas eve and Christmas morning the Boy Scouts and the Good Fellows will make the distribution of the gifts that have been left at the Standard-Examiner, including those purchased out of the Good Fellows. For eight years the Good Fellows have been doing this work in Ogden, bringing cheer to thousands. The Ogden Standard-Examiner is sponsoring the Good Fellow work this year and all checks or money should be sent care of the Standard-Examiner.
